Notes: Where Umpires are allocated to a game it is the coach/manager responsibility to pay the Umpire Fee and make the claim back from the club using this form. Umpire Fees are shared 50:50 between the 2 playing teams (eg. In 2023/24 30 over fees are \$90/umpire = \$45/team – T20 is \$70/umpire = \$35/team). Claims may be made as frequently as required though it is preferred that they are made following the end of each month to make it easier for the Treasurer.
